

# Two Waters and Salt River Fitness Center Usage Guidelines

---

Fitness Centers for SRPMIC Government Employee use are available in Two Waters on the 3<sup>rd</sup> floor of Building A and in the Community Services Building at 10215 E. Osborn Road (formerly Bldg. # 32). Both facilities offer state of the art resistance and cardiovascular equipment. There is a range of machines to choose from, which include treadmills, elliptical trainers, stair-climbers, and cycles. There is also a selection of free weights and stability balls. We encourage all patrons to use extreme caution when lifting weights to avoid injury to themselves or others.

The purpose of these guidelines is to promote a safe and accessible environment in which to exercise as well as to keep the Fitness Centers in excellent condition. There will not be any fitness staff on duty during the hours of operation. Therefore, you can use the facility **AT YOUR OWN RISK**.

## **HOURS OF OPERATION**

The Two Waters Fitness Center will be open from 5:30AM to 6:30PM, Monday through Friday, with the exception of scheduled holidays and any unforeseen building closures.

The Salt River Fitness Center will be open from 4:00 AM to 9:00 PM, Monday through Friday, with the exception of scheduled holidays and any unforeseen building closures.

## **WAIVER and ELIGIBILITY**

At this time, only SRPMIC Government Employees are eligible to use the Fitness Centers, with the exception of Department sponsored group activities coordinated through HHS which are allowed in the Salt River Fitness Center only. Any staff member who wishes to take advantage of the facilities must fill out a waiver form releasing the Community from liability in case of personal injury while using the Fitness Centers. The form will be available through the WellPath program by sending an e-mail to [wellness@srpmic-nsn.gov](mailto:wellness@srpmic-nsn.gov). The form must be completed and signed before you are given access to the Fitness Centers. The SRPMIC is not responsible for any personal injuries that may occur while employees are using the Fitness Centers.

The time spent in the Fitness Centers is considered as time “off the clock” which means that if you are an hourly employee who wishes to use the Fitness Centers during normal business hours (i.e. time when you are normally working), you will have to swipe out at your designated time clock, exercise, and then swipe back in upon returning to your location of work.

## **CHILDREN**

No one under the age of 18 is allowed in the Fitness Center.

## **IDENTIFICATION**

Employees must possess, and display upon request, an SRPMIC employee identification badge. ID Badges are nontransferable and are for the exclusive use of the person named on the badge. Badges will be confiscated and returned to the Human Resources Department if presented by anyone other than the rightful owner. Staff from Administration, Health and Human Services, Human Resources, and Public Works provide oversight of the Fitness Centers and reserve the right to request identification from employees at any time.

## **CONDUCT**

Use of the Fitness Centers is a privilege, and participants are expected to be good citizens and respect the rights of others. Individuals who engage in unacceptable or irresponsible behavior may have their access to the facilities revoked or modified indefinitely, and/or be subject to further disciplinary action.

Fitness Centers may be monitored by video surveillance.
